

## Click on "Add an existing PISD student to My Student(s)"

The screenshot shows the top navigation bar of the Pasadena Independent School District website. It includes the district logo, the name "PASADENA INDEPENDENT SCHOOL DISTRICT", and the text "A TEXAS EDUCATION AGENCY RECOGNIZED DISTRICT". In the top right corner, there are links for "Help", "Home", and "Log Off". Below the navigation bar, a red "STOP" sign icon is followed by the text "You must click on Add an existing PISD student to My Student(s) to continue". There are two buttons: "Home" with a house icon and "My Student(s)" with a person icon. A blue arrow points from the "My Student(s)" button down to a larger button labeled "Add an existing PISD student to My Student(s)" which features a plus sign and a person icon.

The following screen will appear:

This screenshot shows the same website header as the previous one. Below the header, the text "Add an existing PISD student to My Student(s)" is displayed in a large, blue, bold font.

### Add an existing PISD student to My Student(s)

To add a student who is currently enrolled or who has previously been enrolled in a Pasadena ISD school, enter the student's access code provided by the school. If you do not know the student's access code, please contact the campus the student will be attending.

Enter student's access code :

[Return to My Student\(s\)](#)

[Add Student](#)

**You must have your student's Access Code. If you do not have one, please contact the school that your child will attend during the next school year.**

Once you have entered your child's access code, click on **Add Student**.
