

Introduction-

This is the Pasadena Independent School District's (PISD) On-Line Student Pre-Registration System. Parents can enroll their students who were enrolled in the Pasadena ISD during the 2013-14 school year in grades K-11 and who will be attending the same campus or the next campus in their same attendance zone/feeder pattern. Once you have set up an account in the system, you will be able to view and update your student's information for the appropriate school. Also, you will be able to monitor and update your identification information.

Directions for On-line Pre-Registration for Current PISD Students

You must have an e-mail address before beginning the On-Line Pre-Registration process.

Step 1: Create Your Account.
